REPLY TO RESTRICTION REQUIREMENT

Dear Sir:

The Office Action dated Feb. 23rd holds that the application presents claims to more than one invention, enters a restriction requirement between the inventions defined by claims assigned to Group I, consisting of claims 1-18, drawn to a circuit interrupter mounting method and Group II, consisting of claims 19-32, drawn to an insulating housing design, and requires applicant to elect one of the two groups for examination.

Applicant provisionally elects the claims of Group I, claims 1-18.

This election is made without traverse.

Respectfully submitted,

Ronald M. Goldman
